BOARD INFORMATION

BOARD MEETINGS: During 2002, our Board of Directors met eight times, including regularly scheduled and special meetings. Each director attended all meetings of the Board during his or her service as a director, except that Mr. Speese was unable to attend one meeting after receiving or waiving proper notice, and each of Messrs. Fadel and Berg was unable to attend two meetings after receiving or waiving proper notice. The Board also took action by unanimous written consent eleven times during 2002.

BOARD COMMITTEES: Under our stockholders agreement, each committee of our Board is to consist of three directors, one of whom must be a director nominated by Apollo. Under our Certificate of Incorporation and our stockholders agreement, so long as our Preferred Stock is outstanding, one member of each of the Audit Committee, the Compensation Committee, the Finance Committee and the Executive Committee, if one is created, must be a director who was elected by holders of our Preferred Stock, which counts as Apollo's one designee on such committee.

THE AUDIT COMMITTEE recommends the appointment of our independent auditors. It also approves audit reports and plans, accounting policies, audit fees and certain other expenses. The Board has adopted a written charter for the Audit Committee, a copy of which was most recently published in the proxy statement for our 2001 Annual Stockholders Meeting. The Audit Committee reviews and reassesses the adequacy of the written charter on an annual basis.

The Sarbanes-Oxley Act of 2002, along with related SEC rulemaking, added a number of provisions to federal law increasing the responsibility and strengthening the authority of corporate audit committees. Related rules regarding audit committee structure and responsibility have also been proposed by the NASD and will become applicable to our Audit Committee upon adoption. As a result, we are presently reviewing our written charter, and it is expected that our Board, with the recommendation of our Audit Committee, will amend the charter later this year to reflect the relevant provisions of the Sarbanes-Oxley Act and related SEC and NASD rules.

The Audit Committee held six meetings in 2002. The Board has determined that each of Messrs. Copses and Lentell and Ms. Burton is an "audit committee financial expert" as defined by SEC rules. In addition, each of them is "independent" as defined by the NASD listing standards. Under our Certificate of Incorporation and our stockholders agreement, a director elected by the holders of our Preferred Stock must be a member of the Audit Committee. Members: Mr. Copses, Chairman, Mr. Lentell and Ms. Burton.

THE COMPENSATION COMMITTEE manages executive officer compensation. It also administers our compensation and incentive plans, including our Long-Term Incentive Plan. The Compensation Committee evaluates the competitiveness of our compensation and the performance of our executive officers, including our Chief Executive Officer. The Compensation Committee held one regular meeting in 2002 and acted by unanimous written consent eight times during 2002. All members of the Compensation Committee are non-employee directors. Under our Certificate of Incorporation and our stockholders agreement, a director elected by the holders of our Preferred Stock must be a member of the Compensation Committee. Members: Mr. Lentell, Chairman, and Messrs. Berg and Copses.

THE FINANCE COMMITTEE. Under our Certificate of Incorporation, the Finance Committee must approve the issuance of our debt and equity securities, except in limited circumstances. In certain cases the approval must be unanimous. Under our Certificate of Incorporation and our stockholders agreement, a director elected by the holders of our Preferred Stock must be a member of the Finance Committee. The Finance Committee met once during 2002 and acted by unanimous written consent twice during 2002. Members: Messrs. Speese, Lentell and Copses.

BOARD COMPENSATION

RETAINER AND FEES: Non-employee directors each received \$3,500 for each Board meeting and \$1,000 for each Committee meeting attended in 2002 and were reimbursed for their expenses in attending such meetings. In 2003, non-employee directors will each receive an annual retainer of \$30,000, payable in four equal installments on the first day of each fiscal quarter. Additionally, non-employee directors will each receive \$2,000 for each Board meeting and \$1,000 for each Committee meeting attended in person and will be reimbursed for their expenses in attending such meetings. Non-employee directors will also each receive \$500 for each telephonic Board or committee meeting attended. Messrs. Speese and Fadel did not receive any compensation for their services as a director during 2002.

OPTION GRANTS: Non-employee directors receive options to purchase 9,000 shares of our Common Stock on the first business day of the first full fiscal year of service as a director and options to purchase 5,000 shares of our Common Stock on the first business day of each year thereafter. The exercise price of the options is the fair market value of shares of our Common Stock on the grant date. These options vest and are exercisable immediately. Messrs. Speese and Fadel were not granted any options for their services as a director during 2002.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

THE COMMITTEE: The Compensation Committee reviews and approves the compensation levels for our members of senior management, evaluates the performance of senior management, considers management succession and considers any related matters for us.

OVERALL PHILOSOPHY AND OBJECTIVES: We have developed a compensation program for executives and key employees designed to meet the following goals:

- Reward performance that increases the value of your stock;
- Attract, retain and motivate executives and key employees with competitive compensation opportunities;
- Build and encourage ownership of our shares;
- Balance short-term and long-term strategic goals; and
- Address the concerns of our stockholders, employees, the financial community and the general public.

To meet these objectives, we reviewed competitive compensation data and implemented the base salary and annual and long-term incentive programs discussed below.

EXECUTIVE COMPENSATION: The available forms of executive compensation include base salary, cash bonus awards and incentive stock options, restricted stock awards and stock appreciation rights. Our performance is a key consideration in determining executive compensation. However, our compensation policy recognizes that stock price performance is only one measure of performance and, given industry business conditions and our long-term strategic direction and goals, it may not necessarily be the best current measure of executive performance. Therefore, our compensation policy also gives consideration to the achievement of specified business objectives when determining executive officer compensation. The Compensation Committee, in certain cases, offers employees and executive officers equity compensation in addition to salary in keeping with our overall compensation philosophy, which attempts to place equity in the hands of our employees in an effort to further instill stockholder considerations and values in the actions of all our employees and executive officers.

Compensation paid to executive officers is based upon a company-wide salary structure consistent for each position relative to its authority and responsibility compared to industry peers. Stock option awards in fiscal year 2002 were used to reward certain officers and to retain them through the potential of capital gains and equity appreciation in Rent-A-Center. The number of stock options granted is determined by the subjective evaluation of the officer's ability to influence our long-term growth and profitability. Stock options granted to our senior management have been granted only pursuant to our Long-Term Incentive Plan. The Board believes the award of options represents an effective incentive to create value for our stockholders.

CEO COMPENSATION: The Compensation Committee established a base salary for Mr. Speese of \$550,000 for 2002. The Compensation Committee also awarded Mr. Speese a bonus of \$220,000 for services rendered in 2002. For the 2003 fiscal year, the Compensation Committee established a base salary for Mr. Speese of \$600,000. The Compensation Committee deemed the 2002 bonus and the salary level for 2003 to be commensurate with the Chief Executive Officer's position at comparable publicly owned companies and in recognition of the increased responsibilities associated with our growth. In determining Mr. Speese's salary and bonus, the Compensation Committee considered Mr. Speese's industry experience, past performance and other subjective factors.

The Compensation Committee believes that the Chief Executive Officer's 2002 and 2003 compensation levels were and are justified by Rent-A-Center's

financial progress and performance against the goals set by the Compensation Committee.

2002 OPTION HOLDINGS:

The following table contains the number of shares received and the dollar value realized upon the exercise of options by our named executive officers during 2002, as well as values for "in the money" options, meaning a positive spread between the year-end share price of \$49.95 and the exercise price for the options held by our named executive officers. These values have not been, and might never be, realized. The options might never be exercised, and the value, if any, will depend on the share price on the exercise date.

STOCK OPTION PLANS: We have one stock option plan, the Amended and Restated Rent-A-Center, Inc. Long-Term Incentive Plan, for the benefit of certain key employees, consultants and directors. The plan provides the Board of Directors broad discretion in creating equity incentives. Under the plan, 7,900,000 shares of our Common Stock are reserved for issuance under stock options, stock appreciation rights or restricted stock grants. Options granted to employees under the plan become exercisable over a period of one to four years from the date of grant and may be exercised up to a maximum of ten years from date of grant. Options granted to directors are exercisable immediately. There have been no grants of stock appreciation rights and all options have been granted with fixed prices.

The following table sets forth certain information concerning all equity compensation plans previously approved by the stockholders and all equity compensation plans not previously approved by the stockholders as of December 31, 2002.

AND RELATED PARTY TRANSACTIONS

INTRUST BANK: J.V. Lentell, one of our directors, serves as Vice Chairman of the Board of Directors of Intrust Bank, N.A., one of our lenders. Intrust Bank, N.A. is a \$10.7 million participant in our senior credit facility. We also maintain a \$10.0 million revolving line of credit with Intrust Bank, N.A. Although from time to time we may draw funds from the revolving line of credit, no funds were advanced as of March 26, 2003. In addition, Intrust Bank, N.A. serves as trustee of our 401(k) plan.

**APOLLO MANAGEMENT IV,
L.P.:** On August 5, 1998, affiliates of Apollo Management IV, L.P. purchased \$250 million of our Preferred Stock. Pursuant to the stock purchase agreement we entered into with affiliates of Apollo Management IV, L.P., the affiliates of Apollo Management IV, L.P. have voting control of 100% of our Preferred Stock, which gives them the right to elect two individuals to our Board. In addition, pursuant to the stockholders agreement we entered into with Apollo and Mr. Speese, Apollo has the right to designate a third individual to be nominated to serve on our Board and who is elected by all of our stockholders. Messrs. Berg and Copses currently serve as the two directors elected by the holders of our Preferred Stock and Mr. Jhawar serves as the director designated by Apollo under the stockholders agreement. In connection with the issuance of our Preferred Stock, we entered into a registration rights agreement with Apollo, which, among other things, granted them two rights to request that their shares be registered. In May 2002, Apollo exercised one of these rights. In connection therewith, the holders of our Preferred Stock converted 97,197 shares of our Preferred Stock held by them into 3,500,000 shares of our Common Stock, which they sold in a registered public offering. In August 2002, the holders of our Preferred Stock converted all but two shares held by them into 7,281,548 shares of our Common Stock. In connection with this conversion, we granted Apollo an additional right to effect a demand registration under the existing registration rights agreement, such that Apollo now has two demand rights.

TALLEY REPURCHASE: In connection with the retirement of J. Ernest Talley, our former Chairman and Chief Executive Officer, we entered into an agreement with Mr. Talley to repurchase \$25.0 million worth of shares of our Common Stock beneficially held by Mr. Talley at a purchase price equal to the average closing price of our Common Stock over the 10 trading days beginning October 9, 2001, subject to a maximum of \$27.00 per share and a minimum of \$20.00 per share. Under this formula, the purchase price for the repurchase was calculated at \$20.258 per share. Accordingly, on October 23, 2001, we repurchased 493,632 shares of our Common Stock beneficially held by Mr. Talley at \$20.258 per share for a total purchase price of \$10.0 million, and on November 30, 2001, we repurchased an additional 740,448 shares of our Common Stock beneficially held by Mr. Talley at \$20.258 per share, for a total purchase price of an additional \$15.0 million. On January 25, 2002, we exercised the option to repurchase all of the remaining 1,714,086 shares of our Common Stock beneficially held by Mr. Talley at \$20.258 per share. We repurchased those remaining shares on January 30, 2002, for a total purchase price of an additional \$34.7 million.

**TEXTRON FINANCIAL
CORPORATION:** ColorTyme is a party to an agreement with Textron Financial Corporation, who provides \$40.0 million in aggregate financing to qualifying franchisees of ColorTyme. Under this agreement, the occurrence of certain events may result in ColorTyme succeeding to the rights of Textron under the debt agreements. An additional \$10.0 million of financing is provided by Texas Capital Bank, National Association under an arrangement similar to the Textron financing. Mr. Speese is a passive investor in Texas Capital Bank, owning less than 1% of its outstanding equity. We guarantee the obligations of ColorTyme under these agreements up to a maximum amount of \$50.0 million, of which \$32.9 million was outstanding at March 26, 2003.

COMMITTEE INTERLOCKS: None of our executive officers served as a member of the compensation or similar committee or as a member of the Board of Directors of any other entity of which an executive officer served on the Compensation Committee or Board of Directors of Rent-A-Center.

OTHER BUSINESS

The Board does not intend to bring any business before the annual stockholders meeting other than the matters referred to in this notice and at this date has not been informed of any matters that may be presented to the annual stockholders meeting by others. If, however, any other matters properly come before the annual stockholders meeting, it is intended that the persons named in the accompanying proxy will vote pursuant to the proxy in accordance with their best judgment on such matters.

Representatives of Grant Thornton LLP, the Company's independent certified public accountants for the fiscal year ended December 31, 2002, will attend the annual stockholders meeting and be available to respond to appropriate questions which may be asked by stockholders. These representatives will also have an opportunity to make a statement at the meeting if they desire to do so.

INDEPENDENT PUBLIC ACCOUNTANT INFORMATION

Grant Thornton LLP served as our independent accounting firm for the 2002 fiscal year. We paid the following fees to Grant Thornton for professional and other services rendered by them during fiscal 2002:

- Audit Fees. The aggregate fees billed for professional services rendered by Grant Thornton for the audit of our financial statements for the 2002 fiscal year and the reviews of the financial statements included in our quarterly reports on Form 10-Q for the fiscal year were approximately \$274,600.
- Financial Information Systems Design and Implementation Fees. Grant Thornton did not provide any services related to financial information systems design and implementation during the 2002 fiscal year.
- All Other Fees. The aggregate fees billed for all other services rendered by Grant Thornton to us during the 2002 fiscal year, exclusive of those services described above, were approximately \$118,530.

The Audit Committee of the Board has considered whether Grant Thornton's provision of services, other than services rendered in connection with the audit of our annual financial statements, is compatible with maintaining Grant Thornton's independence.

The Audit Committee of the Board has not appointed an independent public accounting firm for the 2003 fiscal year. The Board and the Audit Committee annually review the performance of our independent public accountants and the fees charged for their services. The Board anticipates, from time to time, obtaining competitive proposals from other independent public accounting firms for our annual audit. Based upon the Board's and Audit Committee's analysis of this information, we will determine which independent public accounting firm to engage to perform our annual audit each year.

AUDIT COMMITTEE REPORT ON RENT-A-CENTER'S FINANCIAL STATEMENTS

THE COMMITTEE: Our Board has established its Audit Committee to recommend the appointment of our independent accountants and approve audit reports and plans, accounting policies, audit fees and certain other expenses. The Audit Committee is composed of three members, all of which are "independent" as defined in the NASD listing standards, and operates under a written charter. We are presently reviewing our written charter, and it is expected that our Board, with the recommendation of our Audit Committee, will amend the charter later this year to reflect relevant provisions of the Sarbanes-Oxley Act and related SEC and NASD rules. The Audit Committee has prepared the following report on its activities with respect to our financial statements for the fiscal year ended December 31, 2002.

Management is responsible for Rent-A-Center's financial reporting process including its system of internal control, and for the preparation of Rent-A-Center's consolidated financial statements in accordance with generally accepted accounting principles. Grant Thornton is responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. The members of the Audit Committee are not employees of Rent-A-Center, and, although our Board has determined certain members of the Audit Committee are "audit committee financial experts" as defined by SEC rules, none of the members of the Audit Committee represent themselves to be, or to serve as, accountants or auditors by profession or experts in the field of accounting or auditing.

REVIEW AND DISCUSSION: In connection with the preparation of our audited financial statements for the fiscal year ended December 31, 2002, the Audit Committee has:

- reviewed and discussed the audited financial statements with management;
- discussed with Grant Thornton, the Company's independent accountants, the matters required to be discussed by Statement on Auditing Standards No. 61; and
- received the written disclosures and the letter from Grant Thornton required by Independence Standards Board Standard No. 1, and has discussed with Grant Thornton its independence from Rent-A-Center.

RECOMMENDATION: Based on the review and discussion referred to above and relying thereon, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the U.S. Securities and Exchange Commission.

SECTION 16 BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on a review of reports filed by our directors, executive officers and beneficial holders of 10% or more of our shares, and upon representations from those persons, we believe that all SEC stock ownership reports required to be filed by those reporting persons during 2002 were timely made, except: J. Ernest Talley, our former Chairman and Chief Executive Officer, failed to file a Form 4 during 2001. Mr. Talley subsequently filed a late Form 4 during 2002. In addition, Mr. Arendt failed to file a Form 5 on a timely basis with respect to fiscal year 2002. Mr. Arendt subsequently filed a late Form 5.

VOTING PROCEDURES/REVOKING YOUR PROXY

QUORUM: For purposes of electing our directors and for all other purposes, the holders of a majority of the votes entitled to vote at this year's annual stockholders meeting, including the votes entitled to vote held by the holders of our Preferred Stock, present in person or by proxy, will constitute a quorum.

VOTES REQUIRED TO APPROVE A PROPOSAL: To be elected, directors must receive a plurality of the shares voting in person or by proxy, provided a quorum exists. A plurality means receiving the largest number of votes, regardless of whether that is a majority. All other matters submitted to you at the meeting will be decided by a majority of the votes cast on the matter, provided a quorum exists, except as otherwise provided by law or our Certificate of Incorporation or Bylaws.

SHARES OUTSTANDING AND NUMBER OF VOTES: On the Record Date, there were 34,866,048 shares of our Common Stock outstanding. Each share of Common Stock entitles the holder to one vote per share. On the Record Date, there were two shares of Preferred Stock outstanding. These shares of Preferred Stock entitle the holders to 70 votes in the aggregate.

ABSTENTIONS AND BROKER NON-VOTES: Those who fail to return a proxy or attend the meeting will not count towards determining any required plurality, majority or quorum. Stockholders and brokers returning proxies or attending the meeting who abstain from voting on the election of our directors will count towards determining a quorum. However, such abstentions will have no effect on the outcome of the election of our directors.

Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. In the event that a broker does not receive voting instructions for these matters from its customers, a broker may notify us that it lacks voting authority to vote those shares. These "broker non-votes" refer to votes that could have been cast on the matter in question by brokers with respect to uninstructed shares if the brokers had received their customers' instructions. These broker non-votes will be included in determining whether a quorum exists, but will have no effect on the outcome of the election of our directors.

HOW THE PROXIES WILL BE VOTED: The enclosed proxies will be voted in accordance with the instructions you place on the proxy card. Unless otherwise stated, all shares represented by your returned, signed proxy will be voted as noted on the first page of this proxy statement.

HOW YOU MAY REVOKE YOUR PROXIES: You may revoke your proxies by:

- Delivering a signed, written revocation letter, dated later than the proxy, to David M. Glasgow, Corporate Secretary, at 5700 Tennyson Parkway, Third Floor, Plano, Texas 75024;
- Delivering a signed proxy, dated later than the first one, to Mellon Investor Services LLC, 600 Willow Tree Road, Leonia, NJ 07605, Attn: Norma Cianfaglione; or
- Attending the meeting and voting in person or by proxy. Attending the meeting alone will not revoke your proxy.

PROXY SOLICITATION: Our employees will solicit proxies for no additional compensation. We will reimburse banks, brokers, custodians, nominees and fiduciaries for reasonable expenses they incur in sending these proxy materials to you if you are a beneficial holder of our shares.

SUBMISSION OF STOCKHOLDER PROPOSALS

DATES FOR SUBMISSION OF STOCKHOLDERS' PROPOSALS: From time to time, stockholders may seek to nominate directors or present proposals for inclusion in the proxy statement and form of proxy for consideration at an annual stockholders meeting.
