Attached hereto as Exhibit 99.1 is the Registrant's press release reflecting earnings information for the quarter ended September 30, 2003.

The press release contains information regarding EBITDA (earnings before interest, taxes, depreciation and amortization), which is a non-GAAP financial measure as defined in Item 10(e) of Regulation S-K. While management believes this non-GAAP financial measure is useful in evaluating the Registrant, this information should be considered as supplemental in nature and not as a substitute for or superior to the related financial information prepared in accordance with GAAP. Further, the non-GAAP financial measure may differ from similar measures presented by other companies.

All of the information in this Form 8-K and the accompanying exhibit shall not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and shall not be incorporated by reference in any filing under the Securities Act of 1933, as amended.

RENT-A-CENTER, INC. REPORTS THIRD QUARTER 2003 RESULTS

DILUTED EARNINGS PER SHARE RISE 23.9% SAME STORE SALES INCREASE 3.4%

BOARD APPROVES NEW \$100 MILLION SHARE REPURCHASE PROGRAM

PLANO, TEXAS, OCTOBER 27, 2003 -- Rent-A-Center, Inc. (the "Company") (NASDAQ/NNM:RCII), the leading rent-to-own operator in the U.S., today announced revenues and net earnings for the quarter ended September 30, 2003.

The Company, the nation's largest rent-to-own operator, reported net earnings for the quarter ended September 30, 2003 of \$48.5 million, or \$0.57 per diluted share, when excluding the non-recurring finance charge of approximately \$7.5 million associated with finalizing the Company's recapitalization program, an increase of 23.9% from the same quarter of the prior year. Total revenues for the quarter ended September 30, 2003 increased to \$549.8 million as compared to \$494.6 million for the same quarter of the prior year. Incremental revenues generated in new and acquired stores, as well as growth in same store revenues primarily drove this 11.2% increase. Same store revenues during the third quarter of 2003 increased 3.4% above the comparable quarter of 2002. The Company's quarterly growth in net earnings resulted primarily from the increase of revenues as outlined above, as well as the benefits associated with the Company's recapitalization program.

Net earnings for the nine months ended September 30, 2003 were \$151.7 million, or \$1.72 per diluted share, when excluding the non-recurring finance charge of approximately \$35.3 million associated with the recapitalization program, an increase of 19.5% over the net earnings of \$127.0 million, or \$1.39 per diluted share for the same period in the prior year. Total revenues for the nine months ended September 30, 2003 increased to \$1.669 billion from \$1.488 billion in 2002, representing an increase of 12.2%. Same store revenues for the nine-month period ending September 30, 2003 increased 3.9%.

"We are pleased to be reporting earnings within our expectations," commented Mark E. Speese, the Company's Chairman and Chief Executive Officer, "and are excited about our opportunities in 2004. While the child tax credit refunds led to increased payouts and lower units on rent in August and September," continued Mr. Speese, "the fourth quarter has begun with positive momentum, which we believe positions us for our continued growth."

During the third quarter of 2003, the Company opened 27 new store locations and acquired 13 stores as well as accounts from nine additional locations. Through the nine month period ending September 30, 2003, the Company opened 65 new stores, acquired a total of 143 others as well as accounts from 199 additional locations while consolidating 15 stores into existing locations. To date through the fourth quarter, the Company has opened three new store locations, acquired two stores and accounts from two additional locations.

The Company's cash flow from operations was \$117.2 million for the third quarter of 2003 and \$300.6 million for the nine months ended September 30, 2003. The Company also announced that its board of directors has authorized a new \$100 million share repurchase program. "We continue to believe that the growth potential of this company and the industry as a whole is significant," Speese commented, "and that our strong recurring cash flow continues to allow us to pursue our growth initiatives, as well as to think and act strategically in managing our capital structure for the benefit of all of our stakeholders."

Rent-A-Center will host a conference call to discuss the third quarter financial results on Tuesday morning, October 28, 2003, at 10:45 a.m. EST. For a live webcast of the call, visit http://investor.rentacenter.com.
